H. OLD BUSINESS

1. Update Regarding Greenspace Area in Southwest Quadrant of CDD – Open Soil Testing Holes

Mr. Silva stated that he has received proposals from four (4) contractors for the closing of the eleven (11) soil testing holes within the southwest quadrant of the District (Las Sevillas – Open Space Tracts).

1. GenCon Partners - \$26,502.59
2. Concrete Pro - \$29,586.00
3. Building Unlimited - \$31,100.00
4. All Dade General - \$35,550.00

A discussion ensued after which the Board requested that the District Manager reach out to Shoma Homes and request that they close the soil testing holes since they are the entity under the remediation permit with Miami-Dade County. Mr. Silva will contact Shoma Homes to make the request and will contact Miami-Dade County for assistance with requiring that Shoma Homes address the concern to comply with the requirements set by the Declaration of Restrictive Covenants.

2. Update Regarding Potential Addition of Gate Door – Las Sevillas (SE Corner – Ruben Dario Park)

Mr. Silva stated that he will be following up with Miami-Dade County Parks, Recreation and Open Spaces ("PROS") to discuss a connection with Las Sevillas and the Ruben Dario Park. He hopes to have more information available at the next meeting.

3. Discussion Regarding Bollard Installation – Las Sevillas

Mr. Silva stated that he had obtained estimates for the installation of eighteen (18) removable bollards to border the northern portion of the Las Sevillas open-space tracts between the Spring Lake Village Condominium Community.

1. Headley Construction Group - \$19,200.00
2. Building Unlimited - \$18,036.00

A discussion ensued after which the Board requested that Mr. Silva inquire regarding the costs of permanent bollards with the removal bollards in one (1) section in case a maintenance vehicle needs to get through.

4. Update Regarding KaBoom! Playground Project – Letter of Intent

Mr. Silva provided the District Board with a Letter of Intent provided by KaBOOM! which highlighted the key tasks that the District would agree to take care of in order to proceed with the playground installation project. A discussion ensued after which;

A **motion** was made by Mr. Aparicio, seconded by Ms. De Torres and unanimously passed approving the Letter of Intent between KaBOOM! and the District.

5. ADD-ON - Update Regarding Additional Parking Survey Results

Mr. Silva stated that there has been an increase in illegally parked vehicles in the tract located near the intersection of NW 97th Court and NW 8th Street with the Las Ramblas community. As a result, Mr. Silva was tasked with creating a survey for all of the residents of Las Ramblas asking if they are

for/against the installation of an overflow parking lot near the aforementioned area. The results yielded that the majority were not in favor as the additional overflow parking would only benefit the majority of the community residents and would only benefit those located near the aforementioned area.

Ms. De Torres provided the Board with a map showing the proposed locations for other additional overflow parking spots that would be spread out throughout the Las Ramblas community. The locations would benefit all the residents within the Las Ramblas community. A discussion ensued after which the Board consensus was to start enforcing the parking rules again and also for Mr. Silva to inquire regarding the cost of adding parking in the specified locations.

H. NEW BUSINESS

1. Discussion Regarding District Project Master Plan

Mr. Silva informed the Board that as of late, the District Board has been requesting multiple projects that they would like to have completed in the District. As a result, Mr. Silva will be making a Projects Master Plan which will list all the projects that have been requested along with an estimate of how much it could cost. The Board can then determine which projects they would like to prioritize and analyze the financial impact they will have on the budget.

2. ADD-ON - Request for Miami-Dade County Police Patrols

Mr. Aparicio stated that the Las Sevilas community is requesting that Miami-Dade County Police patrol the community more often to deter any criminal activities from happening in the community. Mr. Silva stated that he will investigate on how to make the request and will provide a response at the upcoming meeting.

3. ADD-ON - Request for Removal of Ducks

Mr. Aparicio stated that the Las Sevilas community is having a lot of issue with ducks defecating on the sidewalks and the increased population is due to neighbors feeding the ducks. Mr. Silva stated that there are services that humanely removed the Muscovy ducks and take them to a farm. The only issue is that it can be costly and Muscovy ducks end up migrating back after several months. A discussion ensued after which Mr. Silva was requested to place more "Do Not Feed the Ducks" signs throughout the community and to advise the community of possible Avian Botulism outbreaks due to the Muscovy duck population.

4. ADD-ON - Discussion Regarding Holiday Parking Schedule

For informational purposes, Mr. Silva provided the following Holiday Parking Schedule:

**Re: Adjustment to District Counsel Fee Structure
Fontainebleau Lakes Community Development District
Our File: 770.05537**

Dear Armando:

This firm's current fee structure has been in place since 2006. Although we are certainly mindful of the necessity to keep increases in the District's expenses, including the cost of legal services, to a minimum, it has become necessary for us to adjust our hourly rates effective May 1, 2023, as follows:

- Attorneys/Partners: \$275.00 per hour
- Attorneys/Associates: \$225.00 per hour

This hourly fee structure will be adjusted on a periodic basis in connection with the District's budget process no later than every third Fiscal Year to reflect changes in the Consumer Price Index published by the U. S. Department of Labor. The CPI has reflected a 47.5% increase since the year 2006 and we have not raised our fees during that time.

Mr. Armando Silva

Naturally, should you have any questions or require any further information in support of this adjustment you should feel free to contact me at your convenience. As I think you are aware, we very much appreciate the opportunity to serve as District Counsel as well as your courtesy and cooperation with regard to the necessity of what we believe to be both infrequent and reasonable adjustments to our schedule of professional fees.

Very truly yours,

Scott C. Cochran
