Dear Members of the Las Ramblas Board of Directors, Mr. Jerez and LCAM professionals,

We, the communities surrounding Las Ramblas community, are writing to formally express our strong opposition to the proposed installation of a perimeter fence on property folio number 30-3055-092-2810 and plan number CL2023000038. This objection is rooted in a binding covenant agreement established with the county and the “Keep the Blue Green Committee” to ensure that this property remains green and free from any construction or installations, except those aimed at maintenance and beautification.

This covenant was a fundamental condition for the development of the Las Ramblas community. As such, it must be strictly adhered to in order to preserve the integrity of our community agreements and commitments to environmental stewardship. The covenant explicitly prohibits any form of construction or installation on the specified property, which unequivocally includes the erection of a fence.

It is imperative to emphasize that the Las Ramblas community does not own this property, nor does it possess any rights to undertake any construction or installation activities on it. Any attempt to proceed with the installation of a fence around this property constitutes a direct violation of the covenant agreement and infringes upon the agreed terms with the county and the “Keep the Blue Green Committee.”

Should the plan to build a fence on this property continue, please be advised that it is our intention to pursue all necessary legal actions to enforce the terms of the covenant agreement. Furthermore, we will escalate this matter to the district commissioners, the county authorities, and the local news media to ensure that this violation is addressed with the utmost urgency and public awareness.

We urge you to immediately cease any plans or actions related to the installation of a fence on the aforementioned property and to respect the binding covenant agreement that was instrumental in the development of the Las Ramblas community.

Thank you for your prompt attention to this critical matter. We trust that you will honor the commitments made and uphold the agreements that were established for the benefit and sustainability of our community.

Sincerely,

Mario Echeverria
